TEACHING
EXPERIENCE

Countries That Are Growing, Instructor (Ant. Summer 2021)

Course on development and stability designed for a medium class size. New model of teaching students to write short research articles including peer and self-evaluation. Theory focused community engaged project.

Representation, Identity, and Dissent, Instructor (Summer 2020)

Designed online course around research article writing and community engagement. Developed community experiences to enhance course content and to provide meaningful products to a community partner.

Introduction to Comparative Politics, Instructor (Summer 2019)

Designed course to emphasize research article reading and writing skills. Incorporated reflective journals, policy relevant activities, and methods workshops into the course. Guided students in writing their own research article.

Immigration, Identity, and the Internet, Co-Instructor (Fall 2018)

Team taught the course with the primary instructor. Re-designed the syllabus to promote active learning. Integrated recent research on terrorism into the curriculum. Focused on improving students' writing through scaffolded final paper, peer review, and individual tutorials. Taught and evaluated literature review and theory papers.

Research Workshop, Assistant in Instruction (Fall 2019, Spring 2020)

Mentored graduate students on writing third year papers and NSF proposals. Provided written and verbal feedback on writing style and content. Worked with individual students to encourage growth in their writing and research abilities.

Party Politics, Assistant in Instruction (Spring 2020)

Taught research article writing workshops to graduate students. Worked individually with students to improve research ideas. Provided written and verbal feedback on writing style and content.

Introduction to Comparative Politics, Assistant in Instruction (Spring 2019)

Developed weekly lesson plans for recitation sections. Incorporated individual and group activities that emphasized active and experiential learning. Mentored undergraduate section leaders in teaching pedagogy and provided advice and support for classroom issues.

Political Protest and Violence, Assistant in Instruction (Spring 2018)

Designed and led lectures, discussion, and group work as the instructor for a third of the course. Developed and implemented rubrics, exams, and simulation based group project assignment. Created activities to supplement lectures.

Theories of Social Justice, Assistant in Instruction (Fall 2017)

Engaged new course material in preparation for teaching students. Implemented comprehensive advising system to improve student exam performance. Tutored individual students on research papers.
